TABLE OF CONTENTS *

ARRANGED BY AUTHORS

	Page
Anderson, O. C.	
Control Areas in Rhode Island.....	309
New Spot Infection in Rhode Island.....	190
Rhode Island Forestry Association Formed.....	151
Ribes Eradication in Rhode Island.....	303
Avery, H. P.	
Economy Notes.....	206
Office Comment.....	206
Quarantine Work Fascinates New Inspector.....	124
Barracclough, K. E.	
Agent, Have You Picked Out Your Foremen Yet?.....	96
Lecture with Slides Followed by "The Pines" Drives Home the Necessity of Blister Rust Control.....	135
Rockingham County, N.H., Backs up Blister Rust Control by Town Appropriations.....	103
Boomer, Stephen H.	
Blister Rust Education and Summer Campers.....	251
Not Ribes - Viburnum	321
Working with Future Pine Owners.....	83
Bradder, W. E.	
Blister Rust Exhibit at Vermont Forestry Association Meeting.....	193
Brockway, E. M.	
A Long Day's Work Brings Results Even on a Short Winter Day.....	36
A Series of Form Letters Used Successfully in Securing Cooperation with Non-resident Pine Owners.....	69
Blister Rust Agent Finds Good Cooperation in Plymouth Co. Mass.....	149
Blister Rust Control in Southeastern Massachusetts.....	333
Blister Rust Infection Ruins Ninety-five Per Cent of Pine in Hingham Area Massachusetts.....	328
Brockway Uses New State Law to Keep Ribes Out of Plymouth County.....	247

*Page numbers 241-251 containing the Supplement to the July number are duplicated in the August issue.

Vol. 18, Pt. 1, 1918

Part I. General Anthropology

1. The Evolution of Man

2. The Races of Man

3. The Languages of Man

4. The Religions of Man

5. The Customs of Man

6. The Arts of Man

7. The Sciences of Man

8. The Literature of Man

9. The History of Man

10. The Future of Man

11. The Conclusion

12. The Appendix

13. The Index

14. The Bibliography

15. The Glossary

16. The Plates

17. The Maps

18. The Figures

19. The Tables

20. The Lists

21. The Notes

22. The References

23. The Acknowledgments

24. The Dedication

25. The Preface

Brockway, E. M. (Cont'd)	Page
Brookline's Town Forest Protected.....	274
Demonstration at Weymouth Fair.....	274
Forest Taxation Law Incentive to Farmers.....	109
Heavily Infected Pine at Hingham, Mass.....	254
News from Plymouth County Mass.....	274
Notes from Plymouth County, Mass.....	191
Pines in Norfolk and Bristol Counties (Mass.) also being Protected.....	257
Protecting Pines The President Planted.....	275
Ribes Eradication Work Completed in Plymouth County, Mass.....	247
Two New Towns with Infected Pines in Norfolk County, Mass.....	139
Butler, Ovid M.	
Success with White Pine Depends upon a Knowledge of Blister Rust and its Control.....	218
Clark, E. D.	
A Ten-year old Boy Makes Good on Eradication Crew.....	305
Forestry Week in the Press of Litchfield, Conn.....	141
Some Forward Pass - Over Ten Sets of Goal Posts.....	344
White Pine and Muskrats.....	335
Clave, Wm. D.	
Ancient Pine Felled by Winchendon Woodsmen.....	156
Just a Little Bit Satisfies.....	183
Ribes Eradication on Templeton State Farm Worcester County, Mass.....	330
Conner, Solon D.	
Blister Rust Men in Cumberland County, Maine, Hold Field Day.....	276
Card Used to Secure Cooperation of Out-of-town Pine Owners.....	180
Conner, Solon D., W. O. Frost and E. E. Tarbox	
Infection Runs Heavy in Pine Reproduction in York County, Maine.....	215
Cullen, W. J.	
Cullen Believes in Putting Before Public the Facts Concerning Blister Rust.....	94

100

Journal of Management Studies, 19(1), 67-80.

	Page
Curtis, D. S.	
Additional Notes on Pruning Pines for the Blister Rust.....	34
Blister Rust Items from Oxford County, Maine.....	14
Dana, S. T	
White Pine Weevil in the Spotlight.....	285
Detwiler, S.. B.	
A Blister Rust Field Trip.....	301
Data on Escaped <u>R. nigrum</u> Wanted by Washington Office.....	260
Instructions Concerning Shipment of Infected Blister Rust Specimens....	89
Mr. Detwiler Reports on His Western Trip.....	107
New Blister Rust Quarantine Proposed to Take the Place of Federal Quarantines Nos. 26 and 54.....	213
What To Do - Suggestions for a Solution of the Problem at Wells, Me....	117
Doore, G. Stanley	
Out of Bounds.....	280
Professor Advises Students to Plant White Pine.....	192
Some Notes from Franklin County, Mass.....	257
Some Notes on Color Photography.....	249
Three Red Currants Killing 17 Pine in State Forest in Mass.....	278
Endersbee, W. J.	
Aecia in the Smokeshop.....	173
Are We Doing our Full Duty?.....	37
Berkshire Bits.....	153
Eradication Costs as Influenced by Abundance of Ribes.....	44
Holes in The Stocking.....	80
Making Progress in Fighting Pine Rust.....	62
Massachusetts Agents Have Conference and Field Trip.....	153
More About the Initial Interview.....	178
New Use for Three-Wing Panel.....	252
The Pines.....	144

	Page
Filler, E. C.	
An analysis of Our Educational and Service Activities for 1925.....	31
An Unusual Inflection Area in the Town Park at Newburyport, Mass.....	244
Black Currants May Have Been Responsible for Heavy Blister Rust Infection at Waterford, Vt.....	217
Blister Rust Infection Study.....	150
Cooperation with Colleges, Clubs, Lumber Companies, etc.....	273
Early Date for Aecia.....	148
Field Study at Walfeboro, N. H., Demonstrates Effectiveness of Control	295
Five Months' Work in Four.....	191
Imagination.....	224
Our Job.....	149
Summary of Ribes Eradication in the Northeastern States for July and August, 1926.....	300
The Initial Interview.....	138
White Pine Blister Rust Control Districts and Personnel in Northeastern States Sept. 10, 1926.....	286
White Pine Uses.....	156
Why are Some Exhibits More Successful than Others.....	101
Writing News Items.....	132
Fivaz, A. E.	
Description of Experimental Work Under Way at No. Hudson, N. Y.....	97
Forest Economics Should Provide Solution for Situation at Wells, Me..	115
Fletcher, E. D.	
Its Trees Boom New Hampshire.....	68
Frank, Glen	
Johnny Appleseed.....	263
Frost, W. O.	
Checking Ribes Eradication Keeps Work up to Standard.....	41
Maine's Many Meetings Mean Much.....	151

	Page
Frost, W. O. (Cont'd)	
New Type of Curve Worked out in Maine.....	184
Our Work Must Extend into New Territory During 1926.....	9
Town Cooperation in Maine.....	183
Yearly Progress in Maine Under the Cooperative Eight Year Control Program.....	3
Frost, W. O., S.D. Conner, and E. E. Tarbox	
Infection Runs Heavy in Pine Reproduction in York County, Maine.....	215
Gibbs, F. J.	
Notes from Michigan. State's Demand for Pine Seedlings for Reforestation Increasing.....	104
Goodding, L. N.	
This Letter to Oregon Fire Warden Gets Attention.....	277
Gravatt, G. F. and R. P. Marshall	
The Quest of the Blight-Resistant Chestnut.....	119
Harpp, Noble	
Eradication Speeding up in Warren County, N.Y.....	254
Methods of Getting the Average Pine Owner to Eradicate.....	174
